Hailey Genest has seen most of her friends marry and have babies, and shes happy for them, but it was a lot easier before she hit forty. Shes spent her entire life in Whitford, Maine, and if she hasnt found her Prince Charming by now, she has to accept shes probably not going to. When a new friend suggests they go on an adventure and embrace being single, Hailey agrees. Surviving in the woods is game warden Matt Barnetts idea of a relaxing vacation. But when he meets two women in need of help, he leads them back to safetya task that proves more fun than expected, thanks to a certain hot blonde. He cant resist pushing her buttons, even though shes made it clear that the rugged, outdoorsy type just isnt for her. Hailey is glad to see the back of her tempting-tour-guide-slash-pain-in-the-ass. When he shows up in her life again, shes determined to avoid him, no matter how good he looks in his uniform. But thats easier said than done in Whitford, especially when hes renting the house right next door. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN.
