FREAKONOMICS, ENGLISH EDITION

Harpercollins UK Feb 2010, 2010. Taschenbuch. Book Condition: Neu. 6.75 in. Neuware - In the summer of 2003, the New York Times Magazine sent Stephen J. Dubner, an author and journalist, to write a profile of Steven D. Levitt, a heralded young economist at the University of Chicago. Levitt was not remotely interested in the things that interest most economists. Instead, he studied the riddles of everyday life - from cheating to crime to child-rearing - and his conclusions turned...

Complete manual! Its such a great study. We have read through and so i am confident that i am going to going to go through once again once more down the road. It is extremely difficult to leave it before concluding, once you begin to read the book.
