Scenario: You're confined in a room with various gods, each claiming to be your Creator offering to unlock the secrets of the Universe. Each promises the path of higher destiny, health, doctrine of conscience, mission purpose. Until you can discern who is speaking the TRUTH, I implore you to keep one thing in mind at all times—that it's absolutely imperative you make no mistake. Why? Because there is only ONE Creator knocking at your door He's the only ONE you can count on to actually care about what happens to His creation. This is no time to be whimsical broad-minded. You I have REAL PRESENT enemies. Remember, the lie is always purposeful. Remember also that your incredulity will NOT protect you.
