

The Art of Indexing

By Larry S. Bonura

Wiley. Hardcover. Book Condition: New. Hardcover. 256 pages. Dimensions: 8.6in. x 5.6in. x 0.9in. A step-by-step guide to creating comprehensive and usable technical indexes. Numerous surveys indicate that the most common complaint about technical documents concern a poorly designed index-- or the lack of an index altogether! An organized, thoughtful index not only ensures that the contents of your book are accessible, but also increases the value of your book. In *The Art of Indexing*, professional indexer and editorial consultant Larry Bonura addresses the indexing problems specific to technical documentation and presents practical solutions to those problems. *The Art of Indexing* shows technical writers, editors, and documentation managers how to chart the topics of their books, reports, and documents and present a concise and accurate map that readers, researchers, libraries, bookstores, and reviewers can use to maximize the usefulness of their book. Step-by-step, *The Art of Indexing* shows you how to become a better indexer by: Discussing the function of an index Showing how to estimate indexing time Presenting methods for selecting entries and subentries Reviewing reasons for cross-referencing Describing how to treat locators Offering an extensive editing checklist for reviewing indexes Covering indexing for online documents Including numerous usability tests for...
