

Dead Funny: Telling Jokes in Hitler's Germany

Filesize: 1.96 MB

Reviews

An exceptional ebook and also the typeface applied was intriguing to read through. I have got read and i also am sure that i am going to likely to go through yet again once more in the foreseeable future. I discovered this pdf from my dad and i advised this ebook to find out.

DEAD FUNNY: TELLING JOKES IN HITLER'S GERMANY

Melville House, 2012. Book Condition: New. Brand New, Unread Copy in Perfect Condition. A+ Customer Service! Summary: "You've never seen Nazi Germany like this." - The Stranger (Seattle) "A concise, compelling book." - The Independent "Fascinating. Intriguing. Herzog, the son of the film-maker Werner Herzog, shares his father's curious and mordant wit." - The Financial Times "Dead Funny' s real value lies in the way it situates anti-Nazi folk humor in the shifting historical context of this grim bygone era, and the fact that the author is able to resuscitate such obscure jokes verbatim is a phenomenal feat [the] book's strikingly original historical research sets it apart from the glut of dry tomes which are still being cranked out about Nazi history." -Time Out (New York) "Chilling.[Herzog] shows, in unadorned language, the process of propagandising and the psychological capitulation of many Germans to the Nazis' will." -PopMatters "Herzog's thesis is that, during the Third Reich, Germans relished jokes about their leaders. Throughout Hitler's 12 years in power, there were plenty of caustic gags doing the rounds - about Dr Goebbels' club foot, or Hitler's limp Nazi salute, which made him look like a waiter carrying a tray, or the widely held suspicion that Goering wore his medals in the bath." -The Guardian "Lots of the jokes were unfunny. But the book is terrific." -- The Standard "Herzog demolishes the idea that Germans didn't know what the Nazis were up to: there were many, many concentration camp jokes. Germans under Hitler seemed to find it natural, and kind of funny, that 'troublemakers'-including Jews and dissidents-should end up behind barbed wire." -Macleans Praise for the German Edition "A thrilling book." - Der Spiegel "The first comprehensive book on comedy and humor in the Third Reich. [...] The author brings together all manifestations of humor--wit,...
