Would you like to read and study better easily write long essays and research papers get organized effectively by using business procedures plan your home study activities like a professional teacher and choose your educational goals more efficiently. Occasionally students discover effective strategies by themselves for these activities, but too many students are performing inadequately by using poor strategies for reaching their goals. Today, both students and teachers are expected to improve their educational performance and reach greater levels of achievement. They need a practical guide with effective strategies for solving these functioning problems. Your educational achievement and lifelong learning depends upon dealing effectively with the topics covered in this guide. Easy steps at the beginning of each chapter summarize key points for improving your performance and reaching educational goals. Also these steps represent the important fundamental skills that everyone wants for their everyday functioning. This item ships from La Vergne, TN. Paperback.
