Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from What Industrial Engineering Includes: For Industrial Executives There have been many misunderstandings and conceptions as to the scope of Industrial Engineering. From that definition which makes of Industrial Engineering the mere devising and installing of a system of records or the simple making of time-studies, up to that description and interpretation which is bold enough to include almost every phase of human endeavor, and at hundreds of stages in between, definitions have been offered. Through these widely varying descriptions, have come many misunderstandings and many very erroneous impressions. It is not to be wondered at that the industrial executive of today, studying into this profession, has sometimes become rather confused as to just what field was covered, just what the aims and objectives were, just what the scope and limitations of Industrial Engineering really were. It is, of course, logical that this condition exists at the present time. The entire development of this profession covers a period of only thirty years. Its members, including the pioneers, have naturally had some variance of opinions in the...
