Devin Salvo has always remained three steps ahead: in chess, on the pitch, and in his love life. His every desire is within arm's reach, except the one person Devin has always wished would be his in the end. All it takes is one conversation to open his eyes to a new possibility, one moment to change what Devin believes about friendship and love and one person to change the rules of the game. Sam Marshall has been fighting his feelings for his friend and roommate for two years. When an opportunity presents itself, he makes his move, only to be faced with the very real fear that what he sees in Devin, the potential waiting to be realized, may be more than their friendship can handle.
