Random House. 1 Paperback(s), 2010. soft. Book Condition: New. (Winner of the Christopher Award and named a Best Book of the Year by the Washington Post, Philadelphia Inquirer, and St. Louis Post-Dispatch) The author of *The Eloquent President* and the *New York Times* Notable Book *Lincoln's Greatest Speech*, Lincoln scholar Ronald White offers a fresh portrait of the 16th president as a man of integrity, whose moral compass holds the key to understanding his life; his Lincoln is a person of intellectual curiosity, comfortable with ambiguity, unafraid to "think anew and act anew." White shows us Lincoln as a man who would leave a trail of thoughts in his wake, jotting ideas on scraps of paper and filing them in his top hat or the bottom drawer of his desk; a country lawyer who asked questions in order to figure out his own thinking on an issue as much as to argue the case; a hands-on commander in chief who, as soldiers and sailors watched in amazement, commandeered a boat and ordered an attack on Confederate shore batteries at the tip of the Virginia peninsula; a man who struggled with the immorality of slavery and as president acted publicly and privately to outlaw it forever; and finally, a president involved in a religious odyssey who wrote, for his own use only, a profound meditation on "the will of God" in the Civil War that would become the basis of his finest address."This thoroughly researched book belongs on the A-list of major biographies of the tall Illinoisian; it's a worthy companion for all who admire Lincoln's prose and his ability to see into, and explain, America's greatest crisis."Washington Post"Ronald C. White's *A. Lincoln* is the best biography of Lincoln since David Donald's *Lincoln*. In many respects it is better than Donald's..."
