### ***Reviews***

*This pdf is indeed gripping and interesting. It is definitely simplistic but shocks within the 50 percent of your book. Once you begin to read the book, it is extremely difficult to leave it before concluding.*

## NAPOLEON THE GREAT

[DOWNLOAD](#)

Penguin Books Ltd. Paperback. Book Condition: new. BRAND NEW, Napoleon the Great, Andrew Roberts, Awarded The Prix Du Jury Des Grands Prix De La Fondation Napoleon 2014 From Andrew Roberts, author of the Sunday Times bestseller, The Storm of War, this is the definitive modern biography of Napoleon. Napoleon Bonaparte lived one of the most extraordinary of all human lives. In the space of just twenty years, from October 1795 when as a young artillery captain he cleared the streets of Paris of insurrectionists, to his final defeat at the (horribly mismanaged) battle of Waterloo in June 1815, Napoleon transformed France and Europe. After seizing power in a coup d'etat he ended the corruption and incompetence into which the Revolution had descended. In a series of dazzling battles he reinvented the art of warfare; in peace, he completely remade the laws of France, modernized her systems of education and administration, and presided over a flourishing of the beautiful 'Empire style' in the arts. The impossibility of defeating his most persistent enemy, Great Britain, led him to make draining and ultimately fatal expeditions into Spain and Russia, where half a million Frenchmen died and his Empire began to unravel. More than any other modern biographer, Andrew Roberts conveys Napoleon's tremendous energy, both physical and intellectual, and the attractiveness of his personality, even to his enemies. He has walked 53 of Napoleon's 60 battlefields, and has absorbed the gigantic new French edition of Napoleon's letters, which allows a complete re-evaluation of this exceptional man. He overturns many received opinions, including the myth of a great romance with Josephine: she took a lover immediately after their marriage, and, as Roberts shows, he had three times as many mistresses as he acknowledged. Of the climactic Battle of Leipzig in 1813, as the fighting closed...
