HOW I MADE MILLIONS IN TWO WEEKS A COMPLETE STEP BY STEP GUIDE TO BULK SMS MARKETING. In the book The Mobile Millionaire, the author, Stephen Akintayo, explains the power of mobile technology. In our current age, the customer message is clear and they demand quicker, faster and smarter applications and hardware. With fierce competition to deliver the optimum end-user experience, vast profit to play for, looks as though the upward demand for mobile technology is here to stay. The author explores key players in the market and the need for creativity in mobile offerings. He also draws on his learned experiences. And practical methods successfully used, explaining how the big business of mobile technology will be conducted in forthcoming years. Facts are explained and compelling reasons pinpointed on why we must harness this technology, in spite of any issues associated with its use.
