NUMICON: FRACTION NUMBER LINE LAMINATE

Oxford University Press, United Kingdom, 2015. Poster. Book Condition: New. Language: N/A. Brand New Book. Numicon builds a deep understanding of maths through a multi-sensory approach, developing children's fluency, reasoning and problem-solving. This laminated number line starts at zero and has fifty unlabelled points. The points can be labelled with any denomination of fraction children are working with. This provides a valuable tool for exploring equivalences and comparing fractions with different denominators.

Totally one of the better pdf I have at any time read through. It really is simplified but shocks within the 50 % from the ebook. Once you begin to read the book, it is extremely difficult to leave it before concluding.
