Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Why does an entrepreneur struggling through 80 hours a week only make half as much as another working no more than 40? What actions determine whether you end up with a small business pulling in five figures a year or a billion-dollar behemoth blazing a path to market dominance? As an entrepreneur, you re told the secret to success is working hard and fighting your way to the top. But what if this advice came from all the wrong people and places?
