Education should be fun, efficient, and as easy and uncomplicated as possible. This student guide is helpful and a wonderful resource as well. This could very well be the first of its kind, and its more than about time, because kids are worth the effort and time put into their education and lives, and more than that too. This is for teachers too, its that good, and better than that! Pages: 250 pages compact 6 X 9 easy to tote along where you want to be! This item ships from La Vergne, TN. Paperback.
