BRAND NEW, That's My Teenage Son: How Moms Can Influence Their Boys to Become Good Men, Rick Johnson, The teen years are a vital stage for a boy as he develops into a man. But these years can also make mums feel like they have lost influence in their sons' lives. Friends and media pull one way while Mum pulls the other. How can a mum be sure she is doing everything she can to help her son grow into a mature and responsible adult? A follow-up to the popular That's My Son, this book helps mums use their considerable influence to help their teenage boys become good men. Mums will learn about the emotional life of their boys; what changes are taking place in their bodies; how to help them develop healthy sexuality; what boys fear most; what traits they need to learn to grow into good men; how to communicate with them; and how to positively influence their spirituality. Every mother of teen boys will find this a welcome guide and a source of encouragement during the tumultuous years when their boys are growing into men.
