You just realized that your spouse has been unfaithful and cheated on you. The news of the infidelity has hit you like a ton of bricks. You have hope that your marriage can survive your spouse cheating on you, but you still feel sick inside when you think about the affair. You probably want to know why your partner cheated, but there is no simple answer to why someone becomes unfaithful. It could be a symptom of other problems in your marriage, it could relate to something in your spouse's past, or it could be totally unrelated to you or to your marriage. You may never truly know why it happened. Here's what you can do to get beyond the hurt, forgive your unfaithful spouse, and save your marriage.
