Createspace, United States, 2013. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Style? Check. Creativity? Check. How about inspiration? Check. Is there anything this book is lacking? Yea. You, the reader. Feast your eyes on this book of elegant and contemporary poems that are guaranteed to leave you wanting for more. In Ciara Ijames Graciously Speaking, she delivers time and time again with lines and verses full of home-hitting content. If you are a fan of poetry, you can agree that Graciously Speaking is in the ball park with works by the great Nikki Giovanni and Rita Dove. The dedications in this book compare to those of Antwone Fisher in his Who Will Cry For The Little Boy? Graciously Speaking also offers determination and presentation in the same manner of one of the greatest to ever grace a poem: Maya Angelou. And last but not least, Graciously Speaking unveils the mind of a genius and the unlimited potential of Ciara Ijames as did Lorraine Hansberry s Young, Black, and Gifted. Maybe you read the preview and want something a little more. Well if so, then this Sampler Edition is perfect for you. This edition offers more poems and content than the online preview. The Sampler Edition is a mere appetizer to help prepare you for the main course, the official release of Graciously Speaking.
