THE SORCERERS GLEN

[DOWNLOAD](#)

Thistleburr Publishing, United States, 2015. Paperback. Book Condition: New. 203 x 127 mm. Language: English . Brand New Book. Fantasy Book Review 10/10 Fans of Hare s previous books The Dragonsdome Chronicles will be delighted with The Sorcerer s Glen. It bears all the trademarks of classic Hare - brave female characters, hilarious side-kicks and Hare s characteristic wit (What s a vegetarian and how do you cook them?). There is one big difference with this book - it is set in our world. Fear not, this doesn t mean fantastical realms are long-gone.but Hare presents our world as a different kind of magic. In the opening pages we are introduced to the charming village of Thistleburr. If you live in a city - you re going to wish you lived here. If you live in a village - you re going to wish you lived here. If you live in a magical realm - you re going to wish you lived here. Seemingly lifted right off a chocolate box, Thistleburr is all small cafes, village greens and beautifully named places (Ratchet and Hatchet Solicitors!); but by far, the one place I wished was real was The Chocolate Cauldron. Hare tells us right away that this is an old-fashioned sweet shop that conjured up confectionary of every imaginable shape, size and description . You won t even be half-way through the book before you re wishing toffee wands were sold in the supermarket. More than just village life, Hare gives us the modern world, and presents the modern world as a modern magic (the internet, nanotechnology, biometric scans) that sits by the side of (and often clashes with) the deeper, older magic of the Fifth Dimension. This is where fans of the Dragonsdome chronicles will see familiar favourites; the SDS,...
