Reviews

It is straightforward in go through easier to recognize. I actually have study and that i am sure that i will going to study yet again again down the road. Once you begin to read the book, it is extremely difficult to leave it before concluding.

DOCTOR CRIPPEN

[DOWNLOAD](#)

Amberley Publishing. Paperback. Book Condition: new. BRAND NEW, Doctor Crippen, Nicholas Connell, In 1910 Cora Crippen, an unsuccessful music-hall artiste known as Belle Elmore, was murdered by her husband Dr Hawley Harvey Crippen, an American quack doctor, at their London home. During a search of the house, Scotland Yard found the remains of her body under the cellar floor. The crime was probably the most famous murder of the twentieth century. Crippen's attempt to escape across the Atlantic, with his young mistress Ethel Le Neve disguised as a boy, fascinated the world, as did his subsequent Old Bailey trial and execution. It became the most famous British murder case of the twentieth century and has retained its fascination to this day. Nicholas Connell provides a meticulously researched account of the notorious 'North London Cellar Murder', compiled from official files, contemporary newspapers and the autobiographies of many people connected to the case. Recently discovered material (including several long-forgotten memoirs by Ethel Le Neve) contains significant new information that shatters modern myths about the murder and popular beliefs about the characters involved. Stories that have persisted since 1910 of Crippen's innocence are also examined in this new, accurate and detailed account of the remarkable story of Dr Crippen.
