Reviews

The book is fantastic and great. It is definitely basic but shocks in the 50 percent in the pdf. Its been printed in an remarkably basic way and it is just soon after i finished reading this publication in which really changed me, change the way i believe.

Protea Boekhuis, South Africa, 2012. Paperback. Book Condition: New. Dale Blankenaar (illustrator). 2nd edition. 221 x 152 mm. Language: English . Brand New Book. The tales of Jackal and Wolf are to South Africans what apple pie is to Americans. No one should grow up without them. Yet the sly Jackal and the whimsical Wolf is older than apple pie. These stories come from the Khoi-Khoi, a group of Bushmen who narrated them into existence shortly after the Stone Age. In Animal Tales Volume 2 among the 15 additional stories, we meet Tiger, Crocodile and Rabbit, while poor Wolf still suffers under the hand of Jackal and is often outwitted by Jackal. We also discover why Tortoise is such a gloomy fellow and how he came to learn that honesty is better than lying. We also read that even a clever animal like Baboon can be fooled.
