Reviews

*This is the finest book i have got go through right up until now. I have got read and i also am confident that i am going to planning to read once again yet again in the future. You will not truly feel monotony at at any time of the time (that's what catalogs are for about if you check with me).
(Taylor Medhurst)*

BERIT OLAM (HARDBACK)

Michael Glazier Inc, United States, 1999. Hardback. Book Condition: New. 231 x 170 mm. Language: English . Brand New Book. Some ancient works of literature survive in fragments that appear so simple and complete it s hard to imagine them as being part of a larger narrative. Such is the case with Ruth and Esther. On first reading they appear so simple, so whole, and their meanings so completely self-evident. Yet the closer you look, the more perplexing they become. Ruth and Esther offers that close look, enabling readers to discover the uncertainties of the texts and demonstrating how these uncertainties are not problems to be solved, but rather are integral to the narrative art of these texts. In Ruth, the first part of this volume, Tod Linafelt highlights the most unresolved and perplexing aspects of Ruth. In doing so he offers an interpretation he calls unsettling. Linafelt states that it is unsettling in the sense that he often refuses to *settle - on a single, unequivocal meaning of a particular word, phrase, or theme. Rather he prefers to underscore the dual or even multiple meanings that the narrative so often has. Another way Ruth differs from other interpretations is that Linafelt entertains the possibility that there might be complexity or ambiguity with regard to the various characters motivations, the presentation of God, or the book s purpose. In this commentary, Linafelt explores the ambiguities of meaning built into the grammar, syntax, and vocabulary of the story to discover how these ambiguities carry over to the larger interpretive issues of characterization, theology, and purpose. He also lays forth an argument that the book of Ruth is intended to be read as an interlude between Judges and Samuel. The second part of this volume focuses on Esther, a story of anti-Judaism...
