*Extensive guideline! Its such a great go through. It is definitely basic but surprises in the 50 % of the pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.*

Rowman & Littlefield Publishers. Hardcover. Book Condition: New. Hardcover. 736 pages. Dimensions: 10.0in. x 7.3in. x 2.4in. This anthology, designed for use in undergraduate courses in environmental ethics, includes new and classic readings by leading writers in the field, full-length case studies, and many short discussion cases. Introductions and discussion questions are provided for all the essays, with each chapter introduced by a summary of the issues and appropriate philosophic, historical and scientific background. Exploring ethical theory, environmental ethics, science and the environmental movement, Earthcare also offers suggestions for students on how to think about ethics and the environment. Through many worldviews, religions and philosophical perspectives, this collection grapples with environmental ethics issues from valuing nature, concerns about the atmosphere, water, land, animals, and human population as well as the interlocking and often problematic interests of business, consumption, energy and sustainability. This book also features examples of a wide variety of environmentally engaged individuals, giving students a way of seeing the connections between the material studied and what they themselves might accomplish. This item ships from multiple locations. Your book may arrive from Roseburg, OR, La Vergne, TN. Hardcover.
